Description

The Corps of Engineers, Transatlantic Programs Center intends to solicit and negotiate a contract for the installation, integration and testing of the communications infrastructure for the CENTCOM Command Forward Headquarters (CFH) complex at Al Udeid Air Base, Qatar. The proposed contract action is for construction services for which the Government intends to solicit and negotiate with only one source under the authority of Federal Acquisition Regulation subsection 6.302-1, Only one responsible source

and no other supplies or services will satisfy agency requirements. The source is Rizzani de Eccher (RdE) S.p.A., Pozzuolo del Friuli, Italy. The host nation of Qatar will permit only RdE to have access to the CFH facility. However, a firm that can demonstrate that it can meet the requirement of full and open access to the host nation construction site may give written notification to the Contracting Officer within seven days from the date of publication of this announcement. Supporting documentation must be in sufficient detail to demonstrate the ability to comply with the requirement. Responses will be evaluated; however, a determination not to compete this proposed contract based upon responses to this notice is solely within the discretion of the Government. This notice of intent is not a request for competitive proposals. The period of performance is 365 calendar days. The magnitude of the project is \$5,000,000 to \$10,000,000.
